

PREFACE

Graniti was established during a defining era in Dubai’s property development, as the city emerged as a global hub for architectural innovation. In response to the region’s growing demand for high quality floor, wall and bathroom solutions, we have built strong partnerships with leading manufacturers across Italy, Spain, Brazil, Turkey, Indonesia, Malaysia, and China.

Since then, our mission has been to deliver exceptional products backed by expert service. We collaborate closely with top-tier international factories to ensure our clients receive unmatched quality and the latest trends. From design to delivery, our experienced team manages every detail to the highest standards.

As one of the UAE’s leading suppliers, our portfolio speaks for itself. The following pages showcase our key projects and client endorsements —testaments to the trust and excellence that define Graniti.

ABOUT GRANITI

Graniti Building Materials LLC was established in Dubai in 1996 with a focus on Italian full-body porcelain tiles. Over the years, Graniti has evolved alongside the dynamic needs of the design and construction industries. What began as a focused offering has grown into a comprehensive portfolio representing some of the world’s top factories and brands. Today, we proudly source and supply a wide range of premium ceramic and porcelain tiles sourced from Italy, Brazil, Turkey, and India ensuring our clients have access to the latest trends, innovations, and highest standards of production.

In addition to our tile collections, we have expanded into sanitary ware, ranging from mid to high-end bathroom solutions that integrate advanced technology, refined design, and everyday functionality.

Developed through our decades of industry excellence, we bring you Elina by Graniti, our own in-house brand conceptualized and developed to address a gap in the market for high quality, design driven products at accessible price points. With a carefully curated selection of elegant tiles, outdoor furniture, and sanitary ware, Elina combines style, functionality, and value. Every product under Elina is manufactured to meet the highest standards of quality, ensuring durability, innovation, and aesthetic excellence in every detail offering clients the opportunity to transform their spaces into refined expressions of modern living.

We have strategically positioned our showrooms and stores across Dubai. Our flagship showroom on Sheikh Zayed Road showcases our exquisite collections, offering our clientele a luxurious and immersive shopping experience. Additionally, we’ve expanded our presence with an Elina by Graniti showroom on Salah Al Din Road in Deira, catering to the historic demand in this vibrant neighborhood.

To further enhance customer convenience and accessibility, we’ve established an outlet store in

Umm Al Quwain, offering attractive deals and discounts on select items. This outlet serves those seeking high-quality tiles at affordable prices. To streamline operations and ensure efficient logistics, we maintain a state-of-the-art 5,000 m² warehouse facility in Umm Al Quwain. This facility allows us to store, organize, and distribute our extensive product line with precision, supporting exceptional customer satisfaction.

At Graniti, we take great pride in our diverse and skilled team. From marketing and design to supervision, administration, finance, and logistics, every member is an expert in their field. This collective expertise enables us to provide comprehensive support and guidance throughout the project lifecycle.

With nearly three decades of experience, Graniti remains a trusted partner for architects, designers, contractors, and developers. Our ongoing commitment to quality, service, and innovation continues to drive us as we help shape exceptional spaces across the region.

We partner with renowned manufacturers such as Atlas Concorde, Ariostea, Cotto D'Este, Portobello, Newform, Vitra, Marca Corona, CerAsia, Portinari, and Roman Ceramics. Known for our service excellence and premium products, Graniti has earned the trust of leading clients across the region. Major developers such as Nakheel, Damac, Emaar, Dubai Properties, Deyaar, Al Fattan Group, and Meraas rely on us for materials in their prestigious developments. We are also a preferred supplier for respected companies including ASGC Group, Al Naboodah, Emarat, HLG Contracting, Al Futtaim, Dubai Contracting Company (DCC), Arabtec, Ginco General Contracting, Bin Lahej Real Estate, United Engineering Construction (UNEC), and GCC.

By continuously expanding our product portfolio and strengthening our global partnerships, Graniti remains at the forefront of the building materials industry

in Dubai. We are committed to excellence in every project and strive to exceed our clients’ expectations.

Some of our prestigious projects include:
Bluewaters
Bvlgari Resort & Residences
City Walk
Dubai Design District (D3)
Emirates Business Class Lounge – Terminal 3
Mohammed Bin Rashid City – D1
Palm Island Villas - Garden Homes

Our success is rooted in several factors—most importantly, our commitment to delivering exceptional service and customer satisfaction. We continually assess our performance and strive for improvement. We also choose to work directly with a select group of top-tier factories, ensuring product quality and timely delivery.

A key strength of our operation is the wide range of choices and price points we offer—suitable for everything from commercial buildings to luxury hotels, high-end villas, and premium apartments. This versatility enables us to support projects of any scale. Additionally, our in-house design team assists clients in selecting and creating tailored designs, color schemes, and materials to suit their specific needs.

OUR VISION

Raise the building materials industry standards in the U.A.E and in the G.C.C., to serve as the basis where customer service and brand mix excellence are measured up against.

Deliver total customer satisfaction through outstanding service and a comprehensive product mix of premium ceramic tiles, porcelain tiles, and sanitaryware brands.
